Absenteeism and Truancy, 2015-16 School Year

Source: Florida Department of Education.

- Homeless students missed more school days per year on average than students who are housed. This includes housed students receiving free and reduced price lunch (a proxy for low-income students) and housed students receiving full price lunch.
- Homeless students were also more likely to be identified as truant than housed/free-reduced lunch students and housed/full price lunch students. Truant students are those with at least 15 unexcused absences within a 90-day period.
